1- A problem that I had with technology مشكلة قابليتها مع التكنولوجيا

We all know that technology is very important these days. It helps us a lot in our daily life. However, sometimes there are some problems with some items of technology. I bought a microwave as a present for my parents. They were not very happy with it. It looks good in the kitchen and the delivery was quick. However, when they used it, the food did not cook very well. It was horrible. I sent it back and will buy a different one. So, we must take care when we buy any item of technology and we must buy these items from a trusted company.

2- The Decent Life Initiative مبادرة حياة كريمة

The Decent Life Initiative is an exciting plan that is really making a difference to about 32 million people who live in rural areas in Egypt. The initiative aims to improve the quality of public services. It provides more health care, better education and better job opportunities. Since 2019, the Decent Life Initiative has helped people in 377 villages to have clean water. It has also helped to repair their houses and it has sent doctors to the villages to deliver medicine and help people who are ill. It has also improved facilities for disabled people, and is helping more children to have a better education by building schools in the villages.

3-Social media in our life وسائل التواصل الاجتماعي في حياتنا

We all agree that technology is very important in our life. It has made life easier. An important type of modern technology is the social media and its role in our life. Of course no one can deny the role that the social media plays in our daily life. We can get the local and the global news almost at no time thanks to social media. It is also a comfortable way to communicate with each other either on the local level or the world wide level. If one of our relatives succeeded, the first thing that tells us this piece of news is the social media. But it is said that for every plus, there is a minus. Social media can waste our time if we became addicted to it. It offers great ways to attract our attention and make us away from our main tasks.

4-Climate change التغير المناخي

Climate change means the change in the world's climate and temperature. Climate change is causing different kinds of unusual acts in the world's climate. It is the most discussed topic at the moment all over the world. There are many causes for climate change. Firstly, Global warming is the main reason for it. Secondly, environment Pollution is the main reason for climate change. Thirdly, cutting down trees are another cause of the problem. Climate change causes rise in temperature, floods, drought and ice melting which will seriously affect farming and all living things. We should reduce the bad results of climate change. Planting trees can reduce global warming. We should stop using bad chemicals which can reduce environmental pollution.

5-What you can do to help people in your community ماذا تفعل لتساعد الناس في مجتمعك

There is no doubt that a man who is living for just himself or herself is not living. We live together in one world so we should help each other. I live in a great community. However, it has got some problems. I was sad to see how many people are poor in my community. I work for a project in my community. We have a good plan that can make a difference to the poor

people. We're going to help them. We are going to help deliver medicines to their houses. We plan to help find work for them. Helping the poor is an important thing. We must all do our best to help them. I really feel proud about that.

6-How to achieve your goal كيف تحقق هدفك

When I was young, I had a dream to be an English teacher because I love my English teacher and he always encourages me. I want to be perfect at English like him. After school I always saved my pocket money to buy English books higher levels than I am in. I always went home and finished my study, then I read these books. I have learnt all about grammar, vocabulary and writing. I always got the full marks in my tests. All my friends admired me. They told me that I am the best at English, so I have decided to be an English teacher when I grow up.

7-Egyptian tourist attractions أماكن الجذب السياحي في مصر

Egypt has a lot of tourist attractions. Egypt also has worldwide tourist cities. We have Sharm El-Shiekh and Hurghada and they are visited by millions of people every year. We have beaches you will never find in other places. We have hotels with good quality, I can't say that our water sports activities are rare, but I can say the nature and its beauty we have is rare. We have great historical museums and temples in Luxor and Aswan. Tourists enjoy visiting ancient sites in Luxor and Aswan. Other tourists like to visit Hurghada and Sharm El Sheikh where there are a lot of beautiful beaches. They enjoy water sports like windsurfing, snorkeling and scuba diving.

8-Tourism السياحة

No one can deny that tourism is one of the most important sources of our national income. It brings Egypt hard currency. Egypt has a lot of ancient sites and tourist attractions. Tourists come to Egypt from all over the world to enjoy its fine weather and visit its historical places. They stay in hotels, eat in restaurants, take boat trips on the Nile and visit the museums. They pay a lot of money for all of these. We use this money to build many projects, so the state should improve our means of transport and build more tourist villages to make tourists feel more comfortable and to encourage them to come again. The Egyptians should be kind and friendly.

9-Dyslexia صعوبة القراءة

Dyslexia is a common learning difficulty that can cause problems with reading, writing and spelling. Many people with reading disabilities experience difficulty reading. Some read at a lower level than their peers of the same age, and some can't read at all. A person with dyslexia may read and write very slowly and confuse the order of letters in words or put letters the wrong way round (such as writing "b" instead of "d"). The person with a dyslexia should have a special help at school to solve this problem. Parents should discover this problem to solve it early.

10-A review of some ways to relax طرق الاسترخاء

There are lots of ways to relax. Some ways are designed to relax your mind and some to relax your body. Because the mind and body are connected, many relaxation ways work on both the mind and the body. Breathing exercises are one way to relax. Take a deep breath, hold it for a moment, and then let it out. Relaxing can quiet your mind and make you feel peaceful and calm. You can practise mindfulness. You should think about the things that are happening right now in the present moment. There are many ways to relax, you can sit in a warm bath and listen to soft music. You can join a sports club and practise a sport.

11-"something you bought online" شئ ما اشتريته من على الانترنت

A coffee machine I bought online آلة صنع القهوة التي اشتريتها من الانترنت

Last week, I bought a coffee machine online. I have a positive opinion about it for many reasons. I bought it as a present for my parents. I saw it on a website on the internet. Its price was not expensive. I asked the company to deliver it. The delivery didn't take a long time. They deliver it after one day. When my parents saw it, they were happy with it. It looked great and was not broken. When they began to use it, it was easy to use. It made delicious coffee. Finally, I advise all of you to buy this machine from the same company because I think they are honest people and their products are good.

12-A review about the pros and cons of modern technology مميزات وعيوب التكنولوجيا

Technology is very important. It has changed our lives greatly. Technology has become a symbol of progress especially at our homes. It's a must to use technology in modern life. Mobile phones, TV sets, tablets and laptops are forms of modern technology. These technological devices have made our life easier and more enjoyable. In addition, they tell us about what happens in our world. They also make us watch football matches all over the world and follow our likes in an easy and quick way. They help us to watch the news and listen to the weather forecasts. On the other hand, they made us lazy, feel bored and be away from our real life. Many people stopped visiting their relatives

13-A review of the problems in your community مشاكل في مجتمعك

I live in a great community. We have leisure and sports facilities in my town. There are also many shopping centres. However, my community has got some problems. There are many poor people living here. I'm so sad about that. I'm working on a project in my community. We have a plan that can make a difference to the poor people. We are going to help them. We are going to help deliver some medicines to their houses. We plan to help find work for them. We must all do our best to help them. We also plan to plant some trees to make our streets cleaner as there aren't many trees there. We must work hard to be proud of our community and make it better

14-A review of your advice to solve your friend's problem نصيحة لحل مشاكل صديقك

My friend Mustafa has a problem. He makes friends with people he doesn't know them well. This is my advice to you and him. Your friends shouldn't tell anyone your secret. Friends must keep secrets. You should tell your parents or teachers what you have done. However, you don't have to see this as a negative thing since they only can help you. You should talk to them and tell them how you feel. They might be more understanding than you think. You should join a club to meet people with similar interests. You don't have to belong to only one group of friends

15-" Your visit to Ismailia" زيارتك للإسماعيلية city where you live مدينة تعيش فيها

Last week, I visited Ismailia. I went with my family. We went by car. Ismailia is a beautiful city. It is between Port Said and Suez. It is a peaceful city because there isn't much traffic. There, we visited attractive buildings and interesting monuments. It also has a lot of gardens. There, we visited Lake Timsah. It is a beautiful lake with wonderful beaches. Ismailia is also famous for its museums. The most famous one is the Natural Science Museum. We spent a lot of interesting time there. I invite all of you to visit this wonderful city to enjoy its places and weather.

16-Mindfulness **اليقظة (mental health) الصحة العقلية**

Mindfulness means paying full attention to something. It means slowing down to really notice what you're doing. When you're mindful, you're taking your time. You're focusing in a relaxed, easy way. You need to practise mindfulness to get good at it. Training the mind takes practice. The more you practise, the better you get. If you practise mindfulness exercises, being mindful can come naturally when you need it in your everyday life. This can help when you're stressed when you have to do something difficult, or when you have to focus your attention. It's a lot like learning to play the piano. Each time you practise, you're training yourself to play a little bit better. When you practise mindfulness, you're training your attention. "

17-How to be mindful **كيف تكون يقظ**

If you are anxious about something such as your school work. I'd like to advise you to relax. Be calm and concentrate on your study. This can come by mindfulness. You should have breaks between your study sessions. You can spend your weekend at a different place with cheerful people. Don't try to talk or hear about people's problems. Being mindful helps you achieve great progress in your life. Each time you practise, you're training yourself to play a little bit better. When you practise mindfulness, you're training your attention. "

18-Leisure and sports facilities in your town **المرافق الترفيهية والرياضية في بلدتك**

We have many leisure and sports facilities in my town. We all love our Town Club. It is really wide and it has got many courts where we can play. My friends and I like going there every Monday. We usually play handball. My sister and her friends usually play basketball there. My dad sometimes joins the reading club every Friday. We also love our Town Park. It is full of wonderful trees and long benches. My family and I like spending time there. It is a nice place where we can have fresh air. My friends and I sometimes play chess there

19-Teenagers' problems **مشاكل المراهقين Teenagers' worries** **مخاوف المراهقين**

We all agree that teenagers face a number of problems. They usually get worried about their exams. They feel embarrassed about failing an exam. They don't want to disappoint their parents. They find it difficult to study some subjects. They are usually worried about doing a lot of homework. They try to be careful about who they should make friends with. Teenagers usually have different opinions about things, too. That makes some of them feel lonely. Teenagers should know how to cope with their problems. They should try to meet up with each other. They should ask their parents or teachers for advice

20-"My role model" **قدوتي**

A role model is someone we admire. She is someone who encourages people to do better. As we talk about the role model, every one of us has his own role model. He is the person who has a huge effect on our life. A role model can simply be anyone from our family, our friends, or even famous person. My role model is my mother. My mother is my first teacher, my advisor, and my support. She has always been there for me through good and bad times. . She is an excellent cook. She has taught me to respect people. She is my role model because s-e gives me strength and encouragement.

21- Importance of recycling أهمية إعادة التدوير

Recycling waste is a very important thing, and this is due to the fact that what we use in terms of bottles, bags, juice boxes, boxes of various foodstuffs and many other types of waste, millions of tons per day for each city. Man has known recycling since ancient times. It is a process in which materials or products are converted into other products that are of lower quality and cheaper in price. Wastewater recycling is considered one of the most important recycling processes, because many countries suffer from a shortage of water resources, and this affects the amount of cultivated areas, in addition to the type of crops.

22-"A good listener" المستمع الجيد

The most important thing is to learn from our mistakes and this cannot be achieved except by listening to other peoples' pieces of advice. Especially people who are older than us and had a lot of experiences in their lives. To be a good listener is a very important quality one should have. It is a skill, because you can choose who you listen to and what to be listened at. The intelligent person is the one who listens more than he talks. God has created us with one mouth but with two ears. This is a message sometimes people do not care about. This message means that we should listen more than talk. Listening is a very important teacher. Through it, we can find solutions to problems, do useful things and be successful.

23-"The 2021 World Men's Handball Championship in Egypt

A review of a tournament

بطولة كرة اليد المصرية للرجال

I like handball very much. It is my favourite sport. I was so proud that the 2021 World Men's Handball Championship was held in Egypt. It was from the 13th to the 31st of January 2021. It was also the third World Championship held in Africa, the second in Egypt, and the first to be held outside of Europe since 2015. There were over 600 competitors from 32 countries. The 32 teams were divided into eight groups of four teams each. It was a great event. The medical team has worked for months to make the tournament safe. Players and people working at the tournament have used four hotels and stayed inside a bubble.

24-advantages & disadvantages of mobile phone مميزات وعيوب الموبايل

In fact the mobile phone is one of the most important inventions .However, it has some advantages and some disadvantages .First of all, we can start with its advantages. It enables people to contact each other easily at any time in any place .It is small enough to carry. It is useful for some people who work in remote areas such as engineers and businessmen. It is important for us in case of danger or troubles. On the other hand, it has some disadvantages. Some doctors think that it causes some serious diseases. It also makes people lazy because it prevents them from visiting each other .To sum up, we can say it is advisable for people to use it only when necessary to avoid its serious side effects.

25-"What teenagers should do and what they shouldn't do"

ماذا يجب على المراهقين فعله وعدم فعله

Teenagers should use their time in a good way. There are some tips that can help teenagers to feel happy and to achieve their goals. they should sleep enough time at least 8 hours. Most of them like staying up late, but it isn't useful for their health. Secondly, its important to make new friends to be happy, but they should choose their friends carefully. After that, they can travel to open places. Nature makes them happier. Finally, it's important for them to remember the good things in their life. They shouldn't stay up late.

26-"Online shopping review" التسوق عبر الانترنت

Shopping online is very useful because it has many advantages. It saves time and money. You buy what you want without moving. However, my opinion about that changed when I decided to buy a present online. I visited websites for electronics until I found this website. I ordered a toaster as a present for my mother on her birthday. The website said the delivery would be in two days, but the delivery arrived in two weeks. I opened the box and put it in the kitchen. It looked great and good, but when I plugged it in, it made smoke then a fire. That was terrible. At once I called them and asked them I want to send it back. They changed it sorry.

27-How can help the poor كيف نساعد الفقراء

As you think about the poor, how can you help them? It is true that a person alone cannot solve the needs of the world. But we can do something together. Well, there are few teenagers that think they don't have money or the right things for helping the poor. How can they help a needy? You must know there are many ways of doing that. Give some money every week to the poor. If you have less money, you can save some amount of money that you spend on eating at work or school. You can give the saved money to any Sadaqa or Zakat committee of the mosque or any poor person in your neighborhood. Organise a family charity project. Call upon a family meeting and discuss the ideas.

28-" Items you have in the kitchen" أشياء تمتلكها في مطبخك

There are many items that I use in my kitchen. They are very useful things that help me a lot. They help me to do things quickly. I have a microwave, fridge, cooker, coffee machine and a toaster. I use the microwave to cook food quickly. The fridge is very important. I use it to keep food for a long time. It also makes food cold. I have a coffee machine which I use to make delicious coffee for the family. There is also a toaster. I use it to make bread warm. I think all items in the kitchen are important and useful.

29-" The best and worst item of technology in your house"

أفضل وأساء الأجهزة التكنولوجية في بيتك

Technology has become very important in our life. It has changed our life in all fields. There are many items of technology in all houses. I think most of them are useful. On the other hand, some of them have disadvantages. The most important items in my house are the mobile, the internet and the smart TV. I think the mobile is very important because I use it to make calls and communicate with my family and friends. I sometimes use it to play games. I waste a lot of time when I play games. The smart TV is important as I watch matches and programs. I think the internet is the most important item. I use it to do many things. I chat with my friends. I get the latest news and do school projects.

30-bad experience خبرة لن انسها An experience I will never forget

When this bad experience of my life happened, I was about ten. I went to the village where I was born to spend my summer holiday. My grandparents were going to work in the field. I wanted to go there with them. We went to the field and I helped to pick peppers. First, it looked very easy. I worked carefully. However, I touched my eyes with my hands. Suddenly, I felt fire on my eyes. I began to cry. It was burning and very terrible. I could not open my eyes and did not see anything. While I was running, I fell down and got hurt in my head. First, my grandmother washed my face and then put ice onto my head. Eventually, I felt relaxed. I thanked my grandparents, especially my grandmother.

31 - "Egypt's villages" القرى المصرية

There are about 32 million people who live in rural areas in Egypt. The government made a plan to make a difference to the life of those people. The plan called "The Decent Life Initiative" aims to improve the quality of public services. It provides more health care, better education and better good opportunities. Since 2019, it has helped people in 377 villages to have clean water. It has also helped to repair their houses. It has sent doctors to the villages to deliver medicine and help people who are ill. It has also improved facilities for disabled people, and is helping more children to have a better education by building schools in the villages. It plans to help to find work for more than five million young people. That really is an amazing plan!

32 - An interesting job وظيفة رائعة

You see many people with different jobs around you. You can see doctors, engineers, teachers, cleaners, etc. I want to write about an interesting job I like. It's my father's job. He is a teacher of English. He always says that his job is very interesting. He enjoys being with his students. They all love him so much. They say he is an excellent teacher. My father starts his job before he got married. He has been a teacher for twenty seven years. I'd like to be a teacher like him. He is my role model. I love him very much.

33 - A review of my visit to the Pyramids زيارة الاهرامات A day at the pyramids

Last week, our school went on a trip to the Pyramids. It was my first time to visit and see the Pyramids. I spent a very beautiful day there. I enjoyed riding a camel and a horse. There were a lot of tourists from all over the world. I spoke with them in English. Our great ancient Egyptians were really great builders and engineers. I knew that they built the Pyramids at first as tombs for themselves. I'd like to invite you to come to Giza and visit them. Really, you will enjoy and learn a lot of things. It was a nice day

34 - Handicrafts in an Egypt حرفة يدوية فى مصر

Egypt is famous for its beautiful handicrafts. There are many places in Egypt that make handicrafts. The handicrafts in Egypt include wooden boxes, leather products, pottery and carpets. The Egyptian handicrafts are always cheap and are the best quality. The wooden boxes are decorated in traditional designs. The leather bags are wonderful because the leather is soft. The pots are in different colours and types. The most important handicraft in Egypt is making carpets. The carpets have many colours and aren't expensive. Tourists from all over the world come to Egypt to buy these handicrafts because they are famous all other the world.

35 - travelling by train السفر بالقطار

I love travelling by train because it's interesting to look out of the window. I take the train when I visit my grandparents in Edfu. In one journey, you can see ferries crossing the Nile, green valleys, peaceful villages and busy cities. Trains are often fast and comfortable, too. Egypt has the oldest railway in Africa. More than 800 million passengers travel by train in Egypt every year on 5,000 kilometres of railway! They love it. Some people don't like trains because they are noisy and they get sick. But I think that the train is the most useful form of transport and the ticket price is really good.

36-Corona virus فيروس كورونا

Corona virus is the real enemy of the world today. Corona is a type of virus that causes diseases in humans, birds and animals. It began in China in 2019. Thousands of people all over the world have been killed by this disease. You should follow some rules to protect yourself from this dangerous virus. You should wear a face mask at public places. Make sure the mask covers your mouth and nose. Clean your hands before you put your mask on, as well as before and after you take it off. Wash your hands with soap and water. This kills viruses that may be on your hands. You shouldn't touch your eyes, nose or mouth with unwashed hands. Cover your mouth and nose when you cough and put distance between yourself and people who are sick.

37-school subjects المواد الدراسية

We study a lot of subjects at school . Each subject teaches us certain things in our life . Foreign languages enable us to communicate with other people and to know how other people think and talk . We learn the Arabic language to be able to tell others what we want and understand what others tell us . Mathematics helps us to think . History tells us about our own country and the people of the world around us . Geography tells us about plants, animals and people , where and how they live and what they do . Physical Education helps us grow strong and keep us fit. We learn biology so as to tell us about living things.

38-"Types of transport" وسائل المواصلات

We all agree that transport is very important in our life. It makes our life easier and more comfortable . It also makes our life faster. I live in Damietta . I live with my parents, one sister and two brothers. We live in a large house with a garden. Damietta has the best transport because buses, trains, ferries are comfortable. Damietta has comfortable buses that use natural gas and don't pollute the environment. If you want to get somewhere comfortably, you can use taxis. They are in all the streets of Damietta. It is peaceful on the water, so ferries are interesting and they are also easy to use. It is fun to see the famous buildings from the water, too

39-shopping التسوق

We all agree that Shops are important places, where people go to buy what they need for their life. Shopping is something which is enjoyable and fun. I often go shopping at the weekends. I like to go to big stores where there are special offers. The most difficult part about shopping for me is choosing things. There are always large crowds of people at the shops. These days there is a new kind of shopping called online shopping. I love to shop online because online shopping offers many advantages over traditional shopping. First, some online stores have amazing collections for every age group. Secondly, we can buy anything online without going to crowded places. Thirdly, it always has a discount. It is very interesting to me.

40-"My plan for the weekend" خطتي لقضاء الاجازة الاسبوعية

Spending the weekend in a useful and enjoyable way is very important. It renews our energy. It makes us feel happy. I'm looking forward to spending a happy weekend. We usually discuss what we are going to do with each other. My parents suggest a place and we tell them our opinions. Finally, we choose the best place to spend a good time. This weekend is special because it's also my birthday, so I'm careful to choose a place we won't forget. We are going to visit our uncle on his farm to enjoy the fresh air. We are going to travel by train. We are going to stay for three days there. I like going there because I like playing in the fields.

41-"My favourite hobby" الهواية المفضلة

We all agree that life will be boring if we only work, that's why we need to have a hobby. It makes us feel happy. It helps us to spend our free time in a good way. As for me, my favourite hobby is reading. I go to the school library twice a week. There, the librarian helps me choose which books and stories to read. I prefer history books and adventure stories. I also go to the bookshop to buy a new book or a new story. When I get a new book, I read it and write a review about it. I tell my friends about all new things I have learned. I usually enter reading competitions in my school and sometimes on the internet. I once won a prize.

42-Holidays الاجازات

We all like going on holidays. After a long time of hard work, people all over the world like spending their holidays on beaches. Among the well-known places, Hurghada is the most wonderful. People who are lucky enough to be there get very excited. They like the sunny weather. Being on the Red Sea coast makes them enjoy snorkelling and diving. People can do other water sports. They can water-ski, go sailing or go fishing. They can go on sea trips. They spend wonderful time in the most beautiful place on the Red Sea. Holidays are our best way to relax.

43-"My experiences" خبراتي الحياتية

Have you ever climbed a mountain ? Have you ever eaten a snake ? In fact, everyone in life has their own special experience that I will never forget is when a friend of mine invited me to have lunch at his house. This friend lives in Marsa Matrouh. I travelled and had a very delicious meal. It was grilled meat and I was very happy with the food. When I finished, I asked him what kind of meat that we had. To my surprise, he told me it was meat of a snake! I told him how come ! After that I knew it is easy to have snakes for meals at Matrouh. Another experience is when I travelled in a truck and an officer on the road stopped me and took me to the police station. He thought I was a criminal. After my parents came, I was set free.

44-what you must or mustn't do at school ماذا يجب عليك وماذا لا يجب عليك فعله في المدرسة

My name is I'm fifteen years old and I live in Damietta. There are many rules in my school! We mustn't listen to music. We mustn't run in the corridors. We mustn't eat in the classroom. We mustn't take our smart phones to school. We mustn't sleep during classes. But we must arrive at school on time. If we are late, the headmaster calls our parents. We must wear a uniform. We must listen to our teachers. We must be polite. We must do our homework. If we break the school rules, we are punished

45-A job you would like to do when you grow up وظيفة تود القيام بها عندما تكبر

Doing a job is very important in everyone's life. We can't live without working or doing a certain job. I'd like to be an engineer. I have many skills. I am good at maths. In addition, I am good at English. I could speak English when I was seven years old. Furthermore, I could do difficult sums when I was young. I hope to join faculty of engineering and become an engineer one day. I want to help my country in building new cities, new roads, new bridges and dams. It is not an easy job, but it is very important these days. To conclude, everyone should work hard at school to get a good job in the future.

46-The importance of sports أهمية الرياضة

There are many kinds of sports. The most common sports are football, basketball, volleyball, tennis, skiing, swimming and cycling. Sports have great value in our life. They are very important for keeping us healthy. People who are used to practising sports usually enjoy good health. They are always active and do their jobs well. Sports are a good way of spending our spare time. Sports help us gain good qualities such as patience, cooperation and how to face difficult problems and situations. Sports teach us good manners and develop our character. Some sports help us to defend ourselves such as karate and judo. In fact, sports are very essential for us.

47-Things I have achieved أشياء أنا حققتها

It is said that situations are the best teacher. When I was young, I had adream to be the best student in English because I love my English teacher and he always encourages me. After school, I always saved my pocket money to buy English books of higher levels than I'm in. I always read these books, wrote my notes and talked to myself in English. I've learnt all about grammar, vocabulary and writing paragraphs. My class teacher asked me to talk in English in the morning school broadcasting. All my friends admired me and told me that I'm the best at English. I've decided to be an English teacher when I grow up

48-Helping people in my community مساعدة الناس في المجتمع

I think our community is a part of our life and it is a must to cooperate for it and for solving the problems it suffers from. At my school, there are some students who have disabilities at different parts of their bodies. Some can't move, while others can't see well. I thought and thought about them and at last I had an idea for helping them. I went to the school headmaster and suggested a way to lighten the burdens of them and their parents for coming at school. I suggested all students in all classes at school should donate money for building a special area for them and making special roads without stairs for them.

49-Community project مشروع مجتمعي

We all love our community and want to give services to help improve it. I and some of my friends decided to meet to discuss how to do a project to help our community. At our meeting, we decided to start a local charity, where people can donate food to families who need it. We got some ideas from a network for our project. Everyone in our community should be cooperative and helpful. We can design pages on the internet, call for anyone who can help us. We need volunteers to help us plan and complete this project. Please, we should not neglect that to be a developed country and improve our community

50-Welcome to Aswan! مرحباً بك في أسوان

Visitors to Egypt should visit Aswan, in the south of Egypt. You can visit the Nubian Museum there. Many important and historical things were moved to the. museum in the 1960's. You should visit Aswan's bazaar, too. Many things are sold here, for example clothes, nuts and fruit, flowers and baskets. Everyone should also take a trip on one of feluccas to see the beautiful Nile River. Many tourists visit the amazing nearby temples of Philae and Kalabsha. You should take a good camera. Many photographs are taken at Elephantine Island. It has this name because the rocks next to the island look like elephants that are swimming in the Nile. There is a tourist information center near the railway station.

51 - An amazing exhibition معرض رائع

One day last week, our teacher handed out some information about an exhibition in London, where I live. He said that we should go if we were interested in history. The exhibition had historic jewellery and statues which are from the time of Tutankhamun. My friend Alex, who know that I love history, said, "Revising history will be easier if we go." So we both decided to go at the weekend. The exhibition was set up in a huge, famous building where people could see the amazing jewels, art and statues from different museums in Egypt. Before it arrived in London, the exhibition travelled to four other cities, where thousands of people came to see it. I was very excited to see everything.

52 - Tourist activities: أنشطة السياح

Egypt is a great country in the north of Africa. Tourists come to Egypt from all over the world. They come to Egypt every year. They like visiting Egypt for many reasons. It has many places of interest. They like going to Hurghada. They go snorkelling there. Some of them go scuba diving. Others like fishing. They have a great time. They also visit the Egyptian Museum in Cairo. It has many statues inside it. They like to visit the Pyramids. They ride camels and horses. Tourists can take many photos there. Cairo Tower is a beautiful place. They can enjoy the beautiful view of the Nile. They can visit the citadel and enjoy their time. There are also four museums in the citadel. They can visit several mosques, too. They come back home happily.

53 - STEM schools مدارس ستيم

STEM schools (science, technology, engineering and maths) are special schools which focus on developing students' ability in these subjects. Students who are very good at STEM subjects can also help develop the technology of the future. There are now STEM schools around the world where lessons are different to those in usual schools. Teachers encourage students to do projects where they work together to solve problems. In Egypt, there are now STEM schools around the country and more will be built in the future. STEM school students must be hardworking. Experts say that there will be many more jobs in the future that need skills in STEM subjects. you will be lucky if you enter these schools.

54 - Reading- your favourite hobby القراءة / الهواية المفضلة

No one can deny that reading is one of the most useful hobbies for all of us ,so I am going to focus on the importance of reading Most of us know that reading is the food for our brains. Some like reading paper books, others like reading online which is called e-books. For me reading is my favourite hobby. I like reading in my free time. I read at the library. I get much information. I also read online, so I like reading e-books. There many kinds of books such as adventure stories which provide us with a lot of suspense. Historical books have much exciting information about the past. I like reading detective stories to solve some problems

55 - My school library مكتبة المدرسة

We all agree that the school library plays a great role in our life. They have a lot of books in all subjects. Our school has a very beautiful library. It is on the second floor next to the lab. It also has a computer. I go there twice a week. I can read and borrow books there. I like reading short stories. The librarian helps us there. She shows us where to find the books we need and tells us to be quiet . she also asks us to keep it clean . I like going there very much. Reading enriches our minds. It helps us to think clearly.

56-The Olympic Games: الألعاب الأولمبية

The Olympic Games are an old competition. The first Olympic Games were held in Greece. There have been many changes in the games. There used to be between seven and nine sports in the Olympics. Things are completely different now. Some sports are no longer part of the modern Olympic Games. In the past, athletes only used to practise hard for about ten months before the Games. These days, athletes must work hard for years before the games. They win medals for first, second or third place. In the past, winners were given only leaves. Today, the Olympic Games are held in different countries. It's always a great achievement for athletes to compete at the Olympics.

57-The Summer holiday أجازة الصيف

The summer holiday is very important for all of us, especially for teachers, students and their families. They need to relax after the long school year. They can do a lot of things during the summer holiday. They can visit many interesting places in Egypt. They can visit the Pyramids in Giza. They can visit the Egyptian Museum, the Citadel and the Cairo Tower in Cairo. They can go to the beach and enjoy swimming in the sea. There are a lot of beautiful beaches in Egypt. In addition, they can go to the club and practice a sport. They can also go to the public library to read books and stories. To conclude, there is a lot to do in the summer.

58-What you should do to help your parents at home ماذا يجب فعله لوالديك فى البيت

Our parents are the dearest people in our life. They look after us very well. They provide us with all our needs so we should help our parents at home. We should help in the kitchen We should tidy our rooms. We should sweep the floors. We should wash the dishes. We should make our beds. Finally I love my parents very much. At home, I usually help my mother do housework. I clean the curtains and sometimes do the vegetables. I sometimes go to the shops for my mother. I learn how to iron my own clothes, tidy my bedroom and water the flowers. Learning to depend on yourself doing many jobs will make you active and helpful.

59-Cleanliness(Hygiene) النظافة

Cleanliness is the duty of every person, every house, every state and every civilization, There is no one who accepts to sit and speak or eat with someone who is not clean; cleanliness is a sign of your health, and the health of any place where cleanliness is maintained in general.

The cleanliness brings the psychological comfort of the human being and the sense of happiness, unlike the dirt , it brings diseases and unhappiness and frustration always, so you should always maintain cleanliness in every place and time to avoid disease and laziness. Keep your body clean by taking shower every day to keep your body clean and do not feel the smell of sweat. Wear clean clothing to keep your look neat and beautiful.

60-Helping others مساعدة الآخرين

Helping others is not only good for them and a good thing to do, it also makes us happier and healthier too. Giving also connects us to others, creating stronger communities and helping to build a happier society for everyone. And it's not all about money - we can also give our time, ideas and energy. So if you want to feel good, do good! You can donate money for poor people and charities .and you can help elderly people to give them your seat in the bus or a train.

61- 'How you could be a community hero' كيف تستطيع أن تكون بطل مجتمعي

My name is Mohammed Ayman. I am 15 years old. There is a serious community problem which I want to solve. This problem is related to the school. A lot of students do not like the time they spend at school. In this short article, I'm going to discuss the reasons and the solutions of this problem. Students do not like school because they feel bored and exhausted. They move from one subject to another. They are taught in traditional ways. They do not have the chance to develop their talents. They are only listeners. To solve this problem, we need to adopt new learning strategies, We must plan how to make learning useful and enjoyable at the same time. Students need to be positive and show their abilities through different activities.

62- "My favourite Egyptian writer" كاتب مصرى

Reading is very useful because it provides us with a lot of information. It is very important, too. It is my favourite hobby. I read for a lot of writers, but Naguib Mahfouz is my favourite Egyptian writer. He was born in Cairo. He wrote a lot of books and stories. He wrote about Cairo in the past. Some of his books and stories were made into films. I like to read his books in my free time. I sometimes buy his stories from the bookshop or read it in the library. His books were written in many languages. He also won the Noble Prize. He died in 2006.

63-Your last summer holiday . اجازة الصيف الماضى

Last summer, Tarek wanted to spend a holiday. He decided to spend a week on his uncle's farm and another week on the seaside. First, he travelled with his parents to Alexandria by train. They stayed at a nice hotel. Every morning, they went swimming and enjoyed sitting on the beach. In the evening, they used to do shopping. After this week, Tarek left his parents in Alexandria and travelled by bus to his uncle's farm. There, he spent a very good day that was Sham el-Nessim. He spent it with his cousins. In the morning, they ate boiled eggs for breakfast in the fields. In the evening they enjoyed singing and dancing

64- A review about El-Orman Garden حدائق الاورمان

Yesterday, I went on a trip to the El-Orman Garden! The garden opens at 9 am, and it takes about an hour to get there by car. I went there with my family. Our reviews about that garden are fantastic. The garden is very big and there is lots to see. You can see wild flowers and plants from all over the country. There is also a small lake and a museum. There are a lot of nearby restaurants and cafés where we could go for lunch. There is also a lovely shop near the garden that sells pottery and jewellery!

65-Our neighbourhood الحى الخاص بنا

we all love our neighbourhood. The houses are all of great importance. Some of the houses are old and built in great style. However, they became dirty and full of graffiti. Now, they need painting. In our community meeting, we decided to improve these buildings and plant trees in front of each house. Furthermore, we need to put rubbish bins to keep the area clean. I encouraged all young people to help with our community project which takes a few months to finish. As soon as we complete our task, our neighbourhood becomes very attractive and it may be a tourist attraction. To conclude, we are still cleaning the area. So, we are looking for more and more volunteers to help us complete the project.

66-advice for exams. نصائح للامتحانات

I'm going to give you some advice to help you prepare for your exams. While studying, you should eat food that gives you energy. You shouldn't eat sweets or drink cola. Sugar won't help you study, but fruit and cereals will. Apples are such a good choice. Find comfortable place where you study, but not too comfortable or you'll fall asleep! It is easier to study when you are positive and relaxed. Now, if you start feeling anxious, have a little break. Go out for a while and get some fresh air. Make notes of the main points and read them. Use past exam papers to practise. They will help you understand what important points that are tested. Take regular breaks while you're studying.

67-Voluntary work العمل التطوعي

volunteering gives people an opportunity to change the lives of those they do and the lives of those around them. Charity is of great importance in the progress of society, because it helps to eradicate poverty, it also helps create jobs, and helps provide treatment for patients. You can work in charities and help elderly people and donate money. Working as a volunteer gives a person self-confidence and love for others. You can also make seats for people and put them in the roads. My father also works in a volunteer, he works as a doctor and helps patients. In the end, I love volunteering and serving the community and people

Write a short story قصة قصيرة

1-"a story about something that happened in your life"

قصة عن شيء ما حدث في حياتك

I have enjoyed windsurfing for many years. I usually go with my father. One day, I decided to go alone. I didn't tell my father about that. The weather was good for windsurfing. I enjoyed my time very much. In the afternoon, the wind suddenly became very strong. The wind took me far from the beach. I was very scared. I was lucky when some people on a boat saw me. They came to help me. They took me back to the beach. My dad was angry with me. I apologized and learnt that I should go with an older person

2. A short story about a bad situation قصة قصيرة عن موقف سيئ

My friend Karim has enjoyed windsurfing for about two years. He usually goes with his older brother. A few months ago, he decided to windsurf alone. He did not tell his brother this. It was windy, but that is good if you want to windsurf. In the afternoon, the wind suddenly became very strong. The wind took Karim far from the beach. He was very scared. Some people in a boat came to help Karim. After that, they took him back to the beach. Karim has not windsurfed alone since that time. Now, he always windsurfs with an older person. He has learnt an important lesson!

3-My favourite story قصتي المفضلة **A short story you enjoyed reading**

" An adventure story you read " قصة مغامرة قراتها

My favourite story is Alice's adventures in Wonderland. It's a children's story by Lewis Carrol. He wrote it in 1865. Alice is the main character of the story. She is a clever girl. She's also sensible. She goes to Wonderland and meets a lot of interesting characters there. She meets the White Rabbit who is always busy and in a hurry. The Cheshire Cat is a funny animal. He has got a big smile and he is very friendly. He tells Alice about Wonderland and helps her to find different places and characters. The Queen of Hearts is not very nice. She is a scary person. She is always angry and she shouts at people. Alice is brave.

4-A short story about cyberbullying online قصة قصيرة عن التنمر الإلكتروني

I always wanted to be part of a certain group of popular students. One day, they suggested that we cyberbully a boy in my class called Eyad, so I wrote an unkind comment about him on social media. I thought that my friends would think it was funny. I didn't realise that they were joking, and I was the only one to write an unkind comment. Eyad read my comment and the next day he didn't want to come to school. I had to tell my parents, and they couldn't understand why I did it. Then, the other students did not want to include me in their group.

5-"A short story about a life experience" قصة قصيرة عن خبرات الحياة

When I was a child I used to have many toys and didn't use to share them with other children. My parents told me many times to share my toys with others to enjoy playing more, but I didn't try to do that. One day at the park while I was playing with my toys, a dog took one of them and ran. Every child at the park was laughing at me. No one wanted to help me as I was selfish and didn't share my things with them. I spent much time running behind the dog but I didn't have my toy back. After that day, I learnt to stop being selfish and share my toys with others.

6- A short story about an act of kindness فعل طيب

One day, I saw a message on the noticeboard by the front door to our flats. The message said that Mr Maher, who is very elderly, needed a new bench because the one he sits on outside his flat is broken. So, I encouraged all my neighbours and friends to help me to buy him a new one. Some men delivered it this morning. The bench looked great in the garden. Mr Maher was very surprised when it arrived! Mr Maher was very pleased by our kindness. Our neighbourhood is very friendly and kind. We like to help each other.

7- shoprt story about a business person قصة رجل أعمال ناجح

My cousin ,Gamal is a business person .When he finished university ,he got a job with a big company in Cairo.He has worked there for three years now.I think he has got a very important job.He is the manager of a team of people and they have meeting every day .He works very hard.Sometimes he has to meet people from companies in other countries .He has travelled to lots of interesting places .Last year,he went to Nigeria and Brazil. An business person must invest all his energies and skills in order to achieve his dreams

8- " A short story of a day you spent out " يوم قضيته بالخارج

Last week, our school went on a trip to the Pyramids. It was my first time to visit and see the Pyramids. I spent a very beautiful day there. I enjoyed riding a camel and a horse. There were lots of tourists. I spoke to them in English and it was really a good experience to improve my English. The Pyramids were built by the ancient Egyptians thousands of years ago. They are really amazing. Our great ancient Egyptians were really great builders and engineers. I knew they built the Pyramids at first as tombs for themselves. We took lots of photos there.

9- " An event that has happened to you recently" حدث مررت به حديثاً

I had an experience I will never forget. I always like walking in the fields, on my own. My mother used to advise me not to do so, but I thought I was right. One day, I was alone in a faraway part of the fields. It was very early in the morning and there weren't so many farmers there. Suddenly, I saw a group of five or six large dogs in front of me. I wasn't afraid at all. When the dogs got nearer to me, I wasn't afraid and I was standstill. After a minute, the dogs moved away. To my surprise, I was being watched by the field owner. He asked a worker to come and asked me to go to him. When I met him, he was happy that I was brave and gave me some beautiful presents for both my parents and me.

10- A short story about a mistake I made قصة قصيرة عن خطأ ارتكبته

First of all, it is important to apologise when you do something wrong. It shows that you are brave enough to face your mistakes. I write this story to say sorry about what happened at school today. I have to say that I made a mistake. I didn't mean to make my friend angry with me. My friends and I suggested that we cyberbully a boy in my class. So I wrote an unkind comment about him on social media. I thought that my friends would think it was funny. I didn't realise that they were joking, and I was the only one to write an unkind comment. I had to tell my parents. I am so embarrassed about what I did. I won't do what my friends suggest. I think I learnt a lot from this lesson.

11- A short story about what I am going to do next weekend

ماذا سوف تفعله في اجازة نهاية الاسبوع

I think the next weekend is going to be a very busy one. We are going to do many things then. We are going to start cleaning our streets. Some of us are going to plant some trees along the streets. The school is going to be closed on Saturday. So, we are going to paint the walls of the school. Some volunteers are going to help clean up the park from rubbish. Some of the plastic they collect is going to become shopping bags. They are going to recycle the plastic. Our neighborhood is very friendly and we like to help each other. I think we have a very strong community

Write a biography اكتب سيرة ذاتية

1- "a biography about a person you admire" سيرة ذاتية عن شخص تعجب به

A biography about Samar Abdelfattah سيرة ذاتية عن سمر عبد الفتاح

A biography about my role model سيرة ذاتية عن قدوتك / مثلك الاعلى

A biography about astronaut سيرة ذاتية عن رائد فضاء

Samar Abdelfattah is a great Egyptian girl. She has been interested in space. As a young child, she wanted to be an astronaut. After finishing school, she went to Cairo University to study space engineering. While she was at university, she entered a competition to design a hyper loop. She and her team won the competition. She travelled to the USA to receive the award. Now she has her own company. She also gives speeches to help young engineers achieve their goals. I think, she will be a great astronaut one day. I think she is a good model that we should follow and learn from her achievements.

2- A biography about a famous scientist سيرة ذاتية عن عالم مشهور

سيرة ذاتية عن فاطمة على البنا

fatma Ali El-Banna was born in Alexandria in 2003. As a child, she loved learning about science and wanted to be a great scientist. After she finished Preparatory School, she started at the Science, Technology, Engineering and Maths School (STEM) in Alexandria. When she was at school, she came first in Egypt in the NASA International Space Apps Challenge, a problem solving competition for scientists around the world. Later, she worked on a school project. She found a natural way for villages to clean dirty water and to recycle used water. The recycled water is used to help plants to grow, and the project can also help to stop water pollution. She sent her project to the Society for Science in the USA. In 2021, her project won fourth place in another international competition for science and engineering.

3- A biography about a campaigner

سيرة ذاتية عن مناضل- سيرة – سيرة ذاتية عن مجدى عبد السيد

Magdy Abdel Sayed is a campaigner for people who are disabled. He's been disabled all his life. He's done lots of amazing things, but he has had lots of challenges. As a child, he couldn't move without help until he was five years old. It wasn't easy to go to school as some schools didn't have the right equipment for disabled people. Magdy really wanted to go to school and his parents wanted him to have a good education. They found a school for him and he was an excellent student. Before he left school, he won an award from Cambridge University for his achievements. After Magdy won the award, a lot of companies wanted to give him a job, but he decided to go to university.

4-"a biography about a person in your family" سيرة ذاتية عن شخص فى عائلتك

5-A biography of My father سيرة ذاتية عن والدك

I want to write about my father because he is a great man. He was born in Tanta in 1947. When he was young, he wanted to be a doctor. Although he was born into a poor family, he decided to study hard. He was clever and intelligent. After finishing school, he joined the faculty of medicine. After that he graduated and became a great surgeon. He did a lot of operations and helped many patients. All people liked and admired him because he was kind and helpful. He decided to leave a lot of money to build a hospital for the poor. I am very proud of my father

6-A biography of a person (Ibrahim Hamadtou) سيرة ذاتية عن ابراهيم حمدتو

Ibrahim Hamadtou was born in Damietta on 1st July 1973. He is an Egyptian Para table tennis Champion, winning several honors over the years, including the silver medals in the African Para table tennis Championships in 2011 and 2013. Hamadtou lost both his arms as the result of a train accident when he was 10. In an interview he said that in his village, they could only play, at that time, table tennis and football. I played table tennis as a challenge. Hamadtou has also won an award after earning second place and winning the silver medal during the African Para table tennis Championships in December 2013

7-"A biography about a sports player" سيرة ذاتية عن لاعب رياضي

Mohamed Salah is the person who ; admire most. He was born in a village - Gharbia. He is polite and hardworking, he has played for many teams. He also play; for the Egyptian National Team. He scored many goals for our team. He played for Roma Team. Now, he plays for Liverpool England and scored many goals. Liverpool is a very good team. I like the way by which they play. Players are so active and present great shows and good results. happened after Salah's joining them. Salah added much speed to the team. Salah has got a lot of important awards - Africa and Europe.

8-A biography of someone who has a problem سيرة ذاتية لشخص لديه مشكلة

I was born in Cairo and I have lived there all my life. When I was little, I always loved to draw and paint but I found reading and writing very difficult. At school, I didn't always understand the lessons and it was really hard I thought I wasn't very clever. Then my parents and the school decided to take me for some tests. They discovered that I had dyslexia. This means it is difficult for my brain to read and spell. After that, I got more help at school and I started to understand more. When I took my exams, I got really good results! I was surprised and happy. Later, I got a prize for my art and then I decided I would like to be an artist one day. Now, I volunteer at a charity for other children with dyslexia and teach them about art.

9-"A biography about Magdy Yacoub" سيرة ذاتية عن مجدي يعقوب

Doctor Magdy Yacoub was born in Bilbeis in 1935, but his family used to travel to many places because his father was an important doctor. Magdy Yacoub went to Cairo University and became an important heart surgeon. He helped people with heart problems for many years. He used to work in a special hospital in London. At this hospital, Magdy used to help to give people new hearts for the first time. Before the 1980s, people with heart problems often died. He stopped most of his work a long time ago, but in 2006, he started a charity to help children with heart problems in Aswan. Very ill children didn't use to live long lives, but many ill children can now live healthy lives.

10-A biography about a person who made a difference in my community"

سيرة ذاتية عن شخص صنع اختلاف في مجتمعتك

As I was young, I had little experience in life. I had a lot of problems and I could not find solutions for most of them. I wasted too much time of my life and regretted that. One day, I met a friend who was older than me. His name is Hussein. Really, he is a great person. He listened to all my problems carefully and told me about some of his own problems which were a lot greater than mine. The strange thing that he faced all his problems with great satisfaction and told me he always said Thanks God. He told me that the strong man is the person who can face and overcome, not to give up. At last, he could solve all his problems by working hard. I learned from him that the hard work is the only key to solve any problem.

11-"A biography of Nada Zaher" سيرة ذاتية عن ندي زاهر

Nada Zaher was born in Alexandria, Egypt. As a child, she played a lot of tennis. When she was a teenager, she found out that she had a sports scholarship to go to Columbia University in the USA. Then she went to the USA to study and play tennis. After university, she returned to Egypt and decided to help more international athletes to study in other countries. Now she helps students from Egypt and other countries to follow their dreams. So, she started a company to connect athletes with universities in the USA and helped them to find scholarships.

12-An email about a trip invitation بريد الكتروني عن دعوة

To: ABC@yahoo.com

From: XYZ@yahoo.com

Subject: A trip invitation

Dear,

I 'm very happy to write to you! How are you and your family? I hope you are in good health. I'm writing this email to invite you to have a trip with me to a fantastic place. Would you like to go to the Museum of African Art? The museum opens at 9.30 and it takes about an hour to get there by car. The museum is very big and there's a lot to see. Make sure that you wear comfortable shoes! There's also a great exhibition about Egypt. could go to the museum cafe for lunch or we could bring food with us. What would you prefer? Remember me to your family. I'm looking forward to seeing you. With my best wishes,

Yours,.....
