To : Rashwan

From : Mohammed

Subject : My hero

How are you and your family? It's nice to write you this email I want to tell you about my hero. My father is my hero. My father is a teacher of history. He knows lots of historical information. All the students like him because he is kind and helpful. He works hard to make us live a comfortable life. I'm very proud of my father and when I grow up, I want to be like him. I'm waiting your reply. Can you tell me about your hero?

Yours, Mohammed

## 12-An accident you saw on your way home حادثة رأيتها في طريقك للبيت

I want to tell about an accident I saw on my way home. Yesterday, I saw a bad accident in the street. A bus hit a small car. Three people were injured. Many people came to help, but I used my mobile to call for help. The ambulance took them to hospital, I felt so sorry for them. So, I took a taxi and went to the hospital. The doctors came quickly and helped them. They gave them medicine. Fortunately, it was not dangerous.

## **13-A prize you got in a competition جائزة فزت بها في مسابقة**

Last week, I won a prize for running. I could run three kilometres in thirteen minutes. I like running so much, I was very proud when I got the prize. I hope I'll be a famous runner. Also, I want to be in the Olympics. When I showed the prize to my family, they were very happy. My father asked me to practise well and do a lot of exercises. Getting a prize encourages me to do well. My mother also asked me to study hard. I want to be successful in my study and running.

## **14-Firefighters رجال الاطفاء**

Firefighters are brave people. They do their best to save people's life. They can save people from dangerous fire. Also, they like helping others. They are very fast in their moving towards fire. They can climb up high buildings using ladders to keep people's lives. They use water to put out fire. They have many tools to help them in their work. They really do hard work. In this way, they should be thanked for their hard work. Thanks for all of them.

## **15-Computers كمبيوتر**

Computers are important for three main reasons. They are flexible, accurate and they can store lots of information in their memory. Computers are now used in banks to store information about people's money, at home and in factories. The internet allows people to communicate with anyone around the world in seconds. Most books are now made with the help of computers. Even doctors use computers to help them examine their patients. We can say that we use computers in everything in our daily life.

## **16-School rules القواعد المدرسية**

School rules are important. The best thing to do in the morning is to arrive at school before lessons start. We must be polite in class. We must put our hands up to ask a question in class. We mustn't talk with our friends during the lessons. The best time to talk to your friends is when we are at break. We mustn't play in the classroom. We mustn't run in the corridor. We mustn't talk in the library. It's important to be safe in the laboratory.

## **17-My bedroom حجرة نومي**

I live in a flat with my family. It has got two bedrooms, a dining room, a kitchen and a living room and a bathroom. It's in a big city. Our flat is very comfortable. My bedroom has a big window with curtains. When I open the curtains, the room is very bright with sunlight. My bed is under the window. I have a wardrobe in front of the bed. I put my clothes there. There is a mirror next to the wardrobe. There's also a lamp next to the bed. The bathroom is next to my bedroom. It's big. It has a nice basin there. In the evenings, I like to read in bed or watch TV. Sometimes I sleep with the curtains open.

## **18-Someone I'm proud of شخص ما انا فخور به**

of all the members in my family, my mother is the person I am proud of. She is 40 years. She looks much younger than her age with short hair and a beautiful face. She works hard. At work, she is respected by all of her friends. She is a useful person in society. My mother always does the housework well. She is a very good cook. I really admire her for her wonderful dishes. She often spends her free time cooking delicious dishes for us, which makes everyone in my family happy. What's more, my mother is an excellent adviser. I always love her and I will always be proud of her.

## **19-A historic place you visited** مکان تاریخی قمت بزیارتہ

I visited one of the greatest historic places in India, the Taj Mahal in Agra. I went there with my mum and dad. It is very huge in size. I studied about the Taj Mahal at school, I also saw its pictures. But watching it with my eyes was like a dream that came true. It was built by Shah Jahan around 1630s. He built it as a gift to his wife, Mumtaz Mahal. This history made it more interesting. It took around 22 years to build. People think that Shah Jahan cut off the hands of the workers who built it so that no similar building could be built. Therefore, this is one of the most awesome historic places.

## **20-Random acts of kindness** یوم الاعمال الطيبة العشوائية

It's important to do random acts of kindness. The smallest things can make others smile. I think that if you do something kind to someone, they will take that act of kindness and move it to people they come across during their day. It's the smallest things that make the biggest differences. For example, holding the door for someone who has their hands full or smiling at a stranger as they pass by, these little things let people know that someone cares about them. Today, before you go to bed, do a random act of kindness. It can be to someone you know or someone who is a complete stranger, but it has to be random. Someday you will receive a random act of kindness in return

## **21-Recycling** اعادة التدوير

Recycling is important in today's world if we want to keep this planet clean for our future grandchildren. It is good for the environment because we are making new products from the old products which aren't used anymore. Recycling begins at home. If you are not throwing away any of your old products and instead reusing them for something new, then you are recycling. Recycling can benefit your community and the environment. It helps in reducing air and water pollution. Try to buy products that are made from recycled materials. There are some examples of paper, metal and plastic. Before throwing anything, think about how to reuse it.

## **22-Climate change** تغیر المناخ

Climate change means the change in the world's climate and temperature. Climate change is causing different kinds of unusual acts in the world's climate. It is the most discussed topic at the moment all over the world. There are many causes for climate change. Firstly, global warming is the main reason for it. Secondly, environment pollution is the main reason for climate change. Thirdly, cutting down trees is another cause of the problem. Climate change causes rise in temperature, floods, drought and ice melting which will seriously affect farming and all living things. We should reduce the bad results of climate change. Planting trees can reduce global warming. We should stop using bad chemicals which can reduce environmental pollution.

## **23-A story you read** قصة قرأتها

To : Basmala

From : Rahma

**Subject : A story I read**

Dear Basmala,

Greetings! How are you and your family? I hope you all are in good health. I'm very happy to write this email to you. I like reading very much. I read a story by Frances Hodgson Burnett. It's called A Little Princess. It's about a small girl whose father died and she became poor. She was in a boarding school. The head teacher made her a servant, but Sara behaved well like a princess. I recommend this story to you. It's really fantastic. I look forward to hearing from you. Write soon.

## 24-A school day يوم دراسي

My school day starts early in the morning. I get up at 6 o'clock. I wash and have my breakfast. After that, I get dressed and pack my bag . Then I go to school on foot as my school is near my house. I have many subjects at school. I have my science lessons in the laboratory. I do exercises in the gym. I go to the library to read book. During the break, I eat a sandwich and talk to my friends. After school , I go home. I have my lunch with my family. Next I do my homework. I watch TV . I have dinner. Finally I go to bed at 10 o'clock.

## 25-My school library مكتبة مدرستي

We all agree that the school library plays a great role in our life. They have a lot of books in all subjects. Our school has a very beautiful library. It is on the second floor next to the lab. It also has a computer. I go there twice a week. I can read and borrow books there. I like reading short stories. The librarian helps us there. She shows us where to find the books we need and tells us to be quiet . she also asks us to keep it clean . I like going there very much.

## 26-A visit to the Pyramids زيارة الى الاهرامات

We all agree that going on picnics is very enjoyable. It renews our energy. It is also great fun. As for me I like going on picnics very much. The last time I went on a picnic was last week. I went to the Pyramids. I got up early in the morning. I took my mobile, some sandwiches, some juice. And of course some money. I went there with my friends. We went there by bus. I play it in my free time. I play it with my friends. I play it in the club. I 'm in my school team. I like scoring goals very much. My favourite player is Mohamed Salah. He plays for Liverpool. He is the best player in Africa. He is very fast. My favourite team is I like watching football matches on TV.

I'd like to be a famous player one day

## 29-Your hero ( the person you admire most ) بطلك ( الشخص الذي تعجب به )

In our life there are a lot of people but a few people who we admire most. They have something different from other people. As for me , my hero is my grandfather. He is 65 years old but he is still working. He is a doctor. He is very clever. He is very kind. He helps poor people. He works hard. He teaches me to be helpful to other people. He also teaches me to play chess and he usually plays with me. I'd like to be like him.

### **30-Your favourite hobby المفضلة الهواية**

We all agree that doing a hobby is very enjoyable for us. It gives us the chance to feel happy. It helps us to spend our free time in a useful way. As for me my favourite hobby is reading. I like reading stories very much. I usually go to the school library to borrow stories. I usually read at home. I read in my free time. It gives me a lot of information. It feeds my mind. It makes me know a lot of things. I love it very much

### **31-Your daily routine الروتين اليومي**

My name's ..... I'm thirteen years old. My daily routine is the same every day. I like getting up early, so I always get up at 6 in the morning. My mum always makes my breakfast. I always help her make it. Then I have a shower and put on my school uniform. I always go to school by bus with my friends Ali and Ahmed. Sometimes we listen to music. My parents work at the nearby hospital. They get home late, so I often help to make dinner. In the evening, I do my homework, read on the sofa, watch TV and text my friends. I always go to bed at 9

### **32-what you and your family usually do in the holidays ماذا تفعل في الاجازات**

We all agree that holidays are very important in our life. They give us a chance to have some rest. They also help us to renew our life and have some fun. As for my family , we don't get up early in the holidays. We do a lot of things in the holidays. We usually go to Ras el-bar and enjoy the sea and the beach. We like going to the Nile. We sometimes go to the park in New Damietta. We play there and enjoy the fresh air. We also vist our grandparents in Sanania. I love holidays very much.

### **33-People and jobs الناس والوظائف**

In fact people have different jobs. Everyone should do the job they like. Some people are police officers. They are important. A police officer drives around the city and makes sure that people are safe in streets. He/ She catches thieves and helps make traffic better. Some people are nurses. They are very important, too. A nurse helps look after patients in hospitals. Some people are street-food sellers. A street-food seller always works in streets. That's why their job is hard. He/She prepares food for people to eat. Some people are call-centre workers. A call-centre worker speaks to people on the phone. He/She helps them with their problems

### **34-Helping the environment مساعدة البيئة**

Environment is the nature in which animals, plants and people live. It's important to look after the environment. There are many ways to do the: can plant trees. We can recycle rubbish. We mustn't throw waste in river; should use green means of transport. We can live a happy life if we do r things. We shouldn't throw plastic bottles or rubbish in rivers. We should use these cars. Electric Cars are very useful to the environment. We should keep: clean environment to live a happy life

### **35-The importance of water أهمية الماء**

We all agree that water is very important. We cannot live without it. Water makes up a half of our body weight. Water is necessary for drinking, bathing, cleaning, and washing and so on. We must save and recycle water. People should not waste water. Some people waste a lot of water by their cars. We should take a five-minute bath to save water. We should clean the lakes. People mustn't throw rubbish in rivers. They should help them all the time.

### **36-“Jobs at home” وظائف في البيت**

I share a bedroom with my sister and we are sometimes quite messy, so we usually tidy up every evening before we go to bed. We put away all our clothes and books. Twice a week, my brother and I take out the rubbish. We do it together because the bins are quite heavy. My parents donate money to a charity which helps a local school for disabled people. We think it is important to help people in the community

### **37-How you could help people in your community كيف تساعد المجتمع**

I can do many acts of kindness to people in my community. I can work as a volunteer in a charity or hospital. I can pick up rubbish and put it in bins. I can help my neighbours by doing the shopping. I can donate things and money to a charity. I have to help my old neighbours. I have to keep the street clean. This helps the street cleaners so much. I have to help beggars who are hungry. I have to be helpful in my community

### **38-An object in your home شيء في بيتك**

I'd like to describe my favourite object in my home. It's a vase. My friend Samy bought the vase from Aswan in 2000. It is made of clay and it was made in Egypt. The vase is fantastic. It is coloured beautifully. I put fresh flowers in this vase every morning. At present, this vase is kept on my desk. It makes my desk more wonderful. This painting always reminds me of my grandfather because it is the best present I got from him. I like it very much. Paintings make walls look beautiful. So I put it on the wall of my room. I feel happy when I look at it. My grandfather bought it when I succeeded in my exams.

### **39-What you used or didn't use to do when you were young ماذا اعتدت ولم تعتاد عليه**

That was so long ago, I don't remember. I used to spend time by myself. I didn't use it to go out a lot. I used to do many things. When I was young, I used to get up early and leave the house and go wherever I wanted to go on my bike. When I got home from school, I used to do my homework, then go out and play with all the other kids. I didn't use to help my mum with cooking. We used to live in a village when I was a kid. There didn't use to be a supermarket there. In the summers, we used to run to get ice-cream. I used to go swimming every Thursday when I was young. We used to go to the same beach every summer

### **40-How life used to be different in ancient Egypt كيف كانت الحياة مختلفة في مصر القديمة**

Life in Ancient Egypt was different to today. Poor children didn't use to go to school. Children from rich families used to start school when they were about seven. Children used to enjoy playing games. When older parents died, they used to leave their houses to the sons. The Ancient Egyptians used to leave jewellery and iture inside their houses to the daughters. They lived around the Nile River where they could grow crops. They built pyramids. You can still see these pyramids today. They knew a lot about maths, medicine and farming

### **41-A description of my friends' photo وصف لصورة احد اصدقائي**

This is a photo of my friends and me. It shows that we are all happy and we smile. We took it yesterday in a nearby park. In the background, our fathers and mothers are sitting under a big tree. In the foreground, my friends Tamer and Salah are sitting on the grass. You can see some people walking beside where we are standing. We usually take photos when we get out together. I have a lot of photos in a big album.

#### **42-How my life used to be** **كيف كانت حياتي**

My life was different when I was young. I used to have different activities. When I was seven, I used to help my parents in the house. I helped my mother with the kitchen work. I used to help my father with his work in the garden. When my family visited my grandparents, I used to help my grandfather on his farm. Now, I'm much older. I have a different house, different friends and different activities

#### **43-Different people in my family** **أشخاص مختلفون في عائلتي**

I have many people in my family. We are all now in the park. My dad is playing chess with my uncle. My brothers are playing football. They always play football together. My mum and aunt are preparing for lunch. They are making us sandwiches. We are in a quiet place in the park. My sisters are taking selfies beside the flowers. We usually come to the park at the Weekends. We enjoy our time together there. We feel very happy at the park.

#### **44- tourism** **السياحة**

Tourism is very important to Egypt. However, It brings money to the country. This helps the local people. But I don't think that tourism helps the environment. Tourists drop rubbish and damage places in other ways, like sitting on ancient ruins. They often travel by car. This makes pollution. However, most tourists behave well. They know it's important to protect historic places. When people visit a historic place, they understand why we need to protect it.

#### **45-The rules for a place I visited** **القواعد المرتبطة بمكان زرت**

I visited the Egyptian Museum last weekend. It was a fantastic place. There are some rules I have to follow in this place. I mustn't drop rubbish. I mustn't damage objects. I mustn't touch any of them. I mustn't sit on stones. I must keep the place clean and safe. I mustn't use a camera. I must protect all the objects in the place. These historic places are very important to Egypt. Many tourists visit these places. We should treat them kindly

#### **46-How to use less water** **كيف تستخدم ماء أقل**

Water is very important. We cannot live without it. Water makes up more than half of our body weight. Water is necessary for drinking, bathing, cooking, cleaning, washing and so on. We must save and recycle. People shouldn't waste water. Some people waste a lot of water by washing their cars. We should take a five-minute bath to save water. We should keep the lakes clean. People mustn't throw rubbish in rivers. They should help clean them all the time.
